

The 1959 Café Kiosk

*A Taste of French Charm —
Anywhere Your Guests Gather*

Lease this adorable truck for as low as \$50/day.

A fully customizable vending machine that can serve anything from crepes to soft-serve ice cream and more.

Our custom-built kiosks are inspired by the classic French Citroën delivery truck, reimagined as luxury food and beverage stations for high-end resorts, estates, and event venues. Each unit delivers turnkey service options — coffee, wine, or light bites — with timeless European design that complements your guest environment. Add satellite service to your operation with little risk, no large capital expense, and no hassle. Easily portable with delivery and setup included. Customizable to fit your menu selection, and picture perfect when not in operation.

IDEAL FOR

- Resort courtyards & pool decks
- Beachfront promenades
- Garden or wedding venues
- Golf courses & vineyards
- Plug & Serve Utility — Simple electrical and water hookup

WHY RESORTS LOVE IT

- High Visual Appeal — Creates Instagrammable guest experiences
- Revenue Ready — Lease or revenue share models available
- Flexible Use — Coffee & danish in the morning, steam table and panini press for lunch, wine in the evening
